# Anurag Anand

Gurugram, India | anuraganand198@gmail.com | +91 9335020958 | Portfolio | LinkedIn | Github

## Professional Summary

Enthusiastic and fast-learning Frontend Developer with a strong foundation in HTML, CSS, JavaScript, and modern frameworks like React. Experienced in building responsive web interfaces, consuming APIs, and using Git for version control. Passionate about UI/UX design principles and continuously improving development skills through personal projects and open-source contributions. Eager to contribute to dynamic teams and grow in a professional environment.

## Technical Skills

- **Languages & Frontend**: HTML5, CSS3, JavaScript (ES6+), C/C++, Java, Python
- **Frameworks**: React.js, Bootstrap, Tailwind, Redux
- **Tools**: Git, Github, VS Code, Postman, Figma, Docker, Chrome DevTools
- **Backend**: REST APIs, Responsive Design, Debugging, Sql, Firebase

## Project Experience

### Smart Portfolio Website

- A modern, responsive portfolio website to showcase personal and professional details
- Built using React.js and Tailwind CSS with dark/light mode toggle and interactive animations.
- Integrated email contact form using EmailJS and GitHub repo showcase with live stats.
- Fully responsive across devices and optimized for SEO and performance (Lighthouse Score 95+).
  - 🔗 Github

### E-commerce Product Store (Frontend Clone)

- An Amazon-like product store frontend for learning UI design and component structuring
- Developed using React + Redux Toolkit for global state management (cart, wishlist, filter).
- Responsive product cards, image zoom modal, price sorting, and rating filters.
- Used Firebase Firestore for product data and localStorage for cart persistence.
  - 🔗 Github

### Real-time Weather App

- Displays real-time weather info using OpenWeatherMap API.
- Created a stylish UI with HTML/CSS/JS, added location autocomplete via Geo API.
- Dynamic icons, temperature conversion (°C/°F), and day/night themes.
- Error handling, API response loading states, and offline PWA support added.
  - 🔗 Github

## Education

- **Bachelor of Technology in Computer Science and Engineering**     **Nov 2021 – July 2025**
  - ➢ Noida Institute of Engineering and Technology     6.73 CGPA
- **Class 12th (Senior Secondary)**     **Jun 2018 – July 2020**
  - ➢ Geeta International Public School     70.8%

## Certifications

- Frontend Development with React & Redux – **Coursera**
- Backend Web Development Course – **Coursera**
- Git & GitHub Crash Course – **Udemy**

## Hobbies & Interests

- Sports, Chess & Puzzles
- Reading & Public Speaking
- Painting, Designing Arts & DIY Projects
